Church Commitment:

Are you willing to faithfully attend the regular gatherings of the church the leaders deem necessary for the health of the body unless hindered by providence?

Are you willing to gladly submit to the spiritual leaders of the church unless conscience demands otherwise?

Will you always speak positively about our leaders and the other church members?

If difficulties arise in your relationship with others in the church, are you willing to deal with that person biblically rather than gossiping or retaliating in an ungodly way?

Are you willing to use talents and gifts God has given you for the edifying of the body and the promotion of the gospel as God might lead?

Please list any special abilities, gifts or talents which might be used in this way in the future if God leads.

Are you willing to regularly support the Lord's church with your financial gifts?

Have you read the confession of "faith" and the statement on our church's use of the confession? (See the last page for a copy of the statement.)

While we do not require for membership the level of commitment to our confession that we require of our leadership, we are interested to know if you have any concern. Are you aware of any disagreement between your beliefs and those in our confession of faith?

Have you read the Articles of Faith?

Do you have any questions regarding the Articles of Faith?

Do you have questions about our church polity (i.e. elder-rule)?

Do you have any questions related to anything on this petition which you would like for us to talk about?

Thank you for filling out this application. We will discuss this and other issues privately before the membership procedure is concluded.
